Description

CRUZ DEL TRONCO

This circular route starts and finishes next to the Ermita de la Cruz del Tronco and takes us through the rural and forest landscapes of northern Tenerife. The route follows forest tracks and old paths surrounded by typical Canarian vegetation, including heather, faya, rockrose and codeso.

As we continue, the landscape gradually opens up, offering wide views over the surrounding forest as we descend along old traditional paths through an area of great scenic beauty.

Equipment:

- Use appropriate equipment, footwear and clothing according to the route and weather conditions. For routes with greater difficulty or steep slopes, trekking poles are recommended.

Safety Tips:

- Always follow the suggested route. Do not enter private property, hunting areas, water galleries, wells or caves.
- Take extra care when walking along or crossing roads used by cyclists, horses or motor vehicles, as well as when walking through ravines with flowing water.
- Avoid direct contact with potentially dangerous animals, such as livestock, beehives or dogs.
- Walk carefully to avoid accidents and falls caused by obstacles, loose rocks, uneven ground or steep slopes.
- Check the weather forecast before planning your route.
- In case of emergency, call 112.
